

Milestone 4: Final Presentation & Demo

Due Date: Tuesday April 28, 2026, 11:59pm.

Objective: Communicate your project professionally and demonstrate its technical merit.

Presentation Structure:

1. Problem & Motivation (2–3 min)

- Why the problem matters
- Research question(s) or goal(s)

2. Approach (4–5 min)

- System architecture or experimental design
- Key technical decisions

3. Evaluation & Results (4–5 min)

- Metrics
- Key findings
- Interpretation

4. Contributions & Lessons Learned (2–3 min)

- What worked
- What failed
- What you would improve

Demo Requirements (if tool-based)

You must demonstrate:

- Core functionality
- Example input/output
- Realistic usage scenario
